

Anti-Corporate Film Festival Trailer Contest

CounterCorp is holding a contest to create a trailer to promote the 5th Annual Anti-Corporate Film Festival in May 2010. (For more information about the Festival, visit www.countercorp.org.)

The trailer should relate to corporations in some way, but otherwise directors are free to do whatever they want. We want to encourage people's creativity rather than confine them to a specific vision.

The only other stipulations are that trailers can be *no more than 30 seconds long* (0:30), the format must be at least standard definition (SD, 720 x 480), the file format should be MPEG4 (.mp4 or .m4v), and we can consider only one submission per contestant.

The winning trailer will be posted on the CounterCorp website, shown at the theater in the days/weeks leading up to the Festival, and screened before every film at the Festival.

The winner also gets two free passes to the Festival (\$100 value), a membership at the Bay Area Video Coalition (\$55), a CounterCorp t-shirt (\$20 value), and other prizes to be announced soon.

Be creative and have fun. This is a great opportunity for filmmakers to gain public exposure and recognition, and add to their reels.

The deadline for receipt of entries is Friday, April 16, 2010, at 5:00 p.m. Pacific Time. To submit your entry, please read and follow these directions carefully:

1. Send us an e-mail *no later than April 2* by selecting the "Trailer contest" category on our [contact form](#), and include the following information:
 - Your name
 - Your phone number
 - Your e-mail address
 - Credits for any people who worked on the trailer. (*Please do not include any credits before or after the trailer itself.*)
2. We will confirm receipt of your e-mail and send you a link to upload the web version of your completed trailer to our server. Your trailer file should be no more than 100MB in size, and the filename should be your first and last name, like this: `firstname_lastname-trailer.mp4` (or .m4v).
3. **Important:** *Save a copy of your full-resolution file in case you win!* We will use that version to show your trailer at the theater.

For more information, send an e-mail to contest coordinator Hillary Burkman by selecting the "Trailer contest" category on our [contact form](#). Good Luck!
